

Please, please, leave the Do Not Call law in effect. I used to get up to 10 calls a day, sometimes several from the same telemarketer, and now I only get calls from companies I already deal with. Please, don't let the telemarketers get the upper hand again - this is NOT a Freedom of Speech problem, it's a "Man's Home is His Castle" problem, and I want to keep the drawbridge up. Thank you for listening to me.
